Class Newsletter

Introduction – Autumn 2.

Welcome back.

I hope that you've had a good break, we have lots of new learning to enjoy this half term.

Please see the full yearly overview for what is being covered in all of the different subjects.

English

Continuing with our Ready Steady Write and Read we will be continuing with our text The search for the giant Arctic jellyfish by Chloe Savage. Our writing outcome will be to write a captain's log.

Our next whole class text to read is The Last Firefox by Lee Newbury. We will be looking at different ways of reading together using Echo and Choral reading. We will also be doing paired reading and having lots of discussions.

Maths

This half term is all about multiplication and division. We will looking at *equal groups *using arrays *sharing and grouping *multiplying and dividing by different numbers *problem solving and unserstanding divisibility.

We will continue to practise our timetables and all children will have a Mathsframe check activity every week and they will be completing Mathsbot fluency questions daily.

Science

Our next unit is Forces and magnets. We will looking at pushes, pulls and twists – contact forces
Friction – Why things move differently on different suraces.
Magnets – their uses, comparing strength and their effects.

Foundation Subjects

This half term sees us change over to our History unit which is – Would you prefer to live in the Stone Age, Bronze Age or Bronze Age.

In Art we will looking at creating our own prehistoric cave paintings.
In PHSE we will be looking at connecting with others – what helps keep me safe?
In RE we will learning about what the gospel writers say about Christmas.
In Computing we will be learning how to use Scratch.
In French we will be learning about adjectives, colour, size and shapes.
In PE we will be moving on to Gymnastics.
